HOUSING APPLICATION

Students live in a shared bedroom (2 people per room) in a shared, furnished apartment. The apartment may have 2 or 3 bedrooms and the other occupants are also either international students or interns. The occupants are all of the same gender but may range in age and background. The apartments are conveniently located in Crystal City, Virginia and just minutes away from downtown DC via public transportation. The location provides easy access to the underground metro and a variety of shops and restaurants.

In order to be placed in Housing, this entire application has to be completed and signed by the student. A \$150 placement fee is due with the application. **Without the payment of \$150, this application cannot be processed.** We accept cash, U.S. checks, credit cards, money orders, Western Union and international bank wires.

Students are placed on a first come, first serve basis. We encourage students to apply as early as possible and at least two weeks in advance of the expected start date. Last minute applications are only considered if our housing partner has any vacancies. If we are not able to place you, a full refund will be given.
